

Mississippi River Cruise aboard the Riverboat "Twilight" "A Long Time Ago Is Just A Short Cruise Away"

July 16 - 19, 2012

The Twilight is fast, elegant, and quiet as she slips through the water. The Twilight is the most richly appointed riverboat to be launched in a hundred years. Victorian steamboat architecture inside and out pleases the eye. There are three decks with comfortable dining salons and sundecks with lounge chairs for those who wish to sightsee or snooze in the sun. The riverboat is air conditioned or heated for comfort in any season.
