

DISCOVERY TOURS AND MENTOR SENIOR CENTER

**MARIETTA - DOWN BY THE RIVER
MARIETTA, OHIO**

TUESDAY, JUNE 26

Marietta is the perfect combination of history and charm. Nestled in the rolling hills of Southeast Ohio and bordered by two rivers, this city features scenic beauty that you won't find in many places. We've planned a perfect day for you. We begin our day with a guided tour with a local guide to tour the Victorian District of Marietta, including the Castle and the Henderson Homes. Many times during your visit, you will happen upon vestiges of the past. Take a moment to admire the beautiful heritage homes, many of which have been restored to their original opulence. No matter where our guide takes us you'll find all roads lead to the confluence of the Ohio and Muskingum Rivers. Board the Valley Gem Sternwheeler for a luncheon cruise on the historic Muskingum & Ohio Rivers. We will complete our stay with a visit to the Campus Martius Museum, 200 years of local history that helped define Ohio and the nation.
