

Summer Wind Luncheon Cruise

August 16, 2012

A bit of nostalgia will descend upon us as we arrive in Jamestown, New York, the birthplace of Lucille Ball, “the person whose face has been seen by more people more often than any other in history”. This tour features the Lucy / Desi Museum and a luncheon cruise on Lake Chautauqua.

The 130-passenger Summer Wind is a new, sleek, state-of-the-art, yacht-type cruise boat built for those who like to relax and enjoy the beauty of Chautauqua Lake. Allowing for ultimate viewing, this one-of-a-kind excursion vessel puts the see in sightseeing. You’ll be able to enjoy the sunshine and breezes of the upper deck or relax in the climate-controlled comfort of the interior salon. During this two-hour cruise, we’ll be enjoying a complete luncheon.

Admissions are included to the Lucy-Desi Museum where we’ll hear about some of the antics from Lucy’s childhood, view the various screenings and see excerpts of their various shows.

This package also includes a stop at Penn Shore Vineyards for winetasting.
