James A. Garfield National Historic Site

8095 Mentor Ave., Mentor, OH 44060

Situated on nearly 8 acres along Mentor Ave., James A. Garfield National Historic Site honors the 20th President of the United States and Mentor resident James A. Garfield at this National Park found in the heart of our community.

From 1876-1881, James A. Garfield lived in this home, which was the centerpiece of his sprawling farm. His family would continue to reside in this 29-room mansion that is home to America's first Presidential Library until 1934.

National Park Service Rangers and Volunteers provide guided tours of the Garfield House, which has been restored to its appearance of the era of 1880-1910.

The Garfield Home boasts a collection of artifacts that are over 80% original to the Garfield Family.

An on-site Visitor Center is home to various displays highlighting key aspects in the life and times of James A. Garfield and the Garfield Family. Visitors can also view a biographical film about James A. Garfield in the theater located inside Visitor Center. There is no charge to view the exhibits or the film in the Visitor Center, but there is a charge to take a guided tour of the Garfield House.

National Park visitors will find James A. Garfield National Historic Site's official National Parks Passport stamp in the Visitor Center, and a bookstore inside the Visitor Center has a variety of books and other items related to James A. Garfield.

For additional information about James A. Garfield National Historic Site, please consult the Park's website at nps.gov/jaga or call (440) 255-8722

Mentor Marsh

Marsh House, 5185 Corduroy Road, Mentor, OH 44060

Mentor Marsh occupies the ancient river bed of the Grand River. In the past, the river flowed into Lake Erie at the site of the present Mentor Lagoons. Today, the Grand River flows into Lake Erie between the communities of Grand River and Fairport Harbor.

A series of trails and overlooks within diverse habitats are open to the public free of charge from dawn to dusk. Visitors should remember that wetland areas at this nature preserve may at times be muddy. Please dress accordingly.

While in this area of the Mentor Headlands, please visit the Headlands Dunes State Nature Preserve along Lake Erie at the eastern border of Headlands State Park (northern terminus of SR 44).

A large variety of wildlife can be observed within the Mentor Marsh and Headlands Dunes State Nature Preserves. Birding is especially good during the spring and fall migrations. It is not unusual for expert birders to hear or see in excess of 125 species of birds in a single morning during the spring migration.

Botanizing the forest, marsh, and dunes habitats will yield hundreds of species of plants for the keen observer. The spring wildflowers are abundant in the School Woods near the Newhouse Overlook. In good years, migrations of monarch butterflies can be fantastic on the dunes at Headlands Dunes State Nature Preserve and in the meadows along the Kerven Trail.

Our beautiful trails await your arrival.

Power Boat Racing Comes to Northeast Ohio

August 28, 2016 | Headlands Beach State Park

The ParkOhio Super Boat Grand Prix is the latest addition to the Super Boat International Offshore Racing Series.

This free family-friendly event will showcase over 40 super boats from around the world. They will be competing at this spectacular, inaugural race to be held at Headlands Beach State Park.

The race will take place on Sunday but an entire weekend of activities is planned as a part of Mentor's annual CityFest celebration.

The Great Lakes Mall will serve as the primary staging area beginning on Friday, August 26th. Super boats will also be staged at Civic Center Park for those attending CityFest on Saturday. The public will have an opportunity to get close to the boats as well as their crews at each of these locations to ask questions and take photos.

Boats will conduct test runs on Saturday which can be viewed from the beach.

The roar will definitely hit the shore on Sunday for a full day of racing beginning at noon as these million dollar performance machines compete in a series of races at speeds in excess of 200 MPH..

Racegoers will revel in the festival-like atmosphere complete with food, vendors and even a beer garden.

And, once the racing is over, the party begins as racers, their teams and the public join in for the awards ceremony and other nearby post race activities.
