The event will also include children's activities, games, live entertainment, food and craft vendors, and more.

Please visit www.mentorperchfest.com for more information.

As we gear up for our summer season, the City of Mentor will be adhering to all guidelines set forth by the State and Lake County Health District. Policies and procedures are changing rapidly so please ensure you are aware of the guidelines at the time of the event/program you are attending. As the City establishes new protocols, at the recommendations of the local health district, we will post on our website and various social media sites. If you have specific questions, please call our Parks and Recreation office at 440.974.5720.

We encourage all attendees to observe the rules so that our events may continue uninterrupted throughout the summer season. Our event locations are public spaces. It is up to the individual to determine his or her level of comfort and acceptable risk when entering the grounds. If you are concerned about public gatherings, do not attend.

ABOUT OUR CAMPS

Mentor Parks & Recreation is dedicated to providing an outstanding, fun and safe camp environment and experience for all those who participate. We offer exciting camp experiences across many areas of interest designed to promote physical activity, teach new skills, and challenge kids to reach and grow and to make new friends. To accomplish these goals while maintaining safety, affordability and convenience, we rely on a well-trained staff of adults and college students who have a passion for working with young people. Here's a little more about our staff:

- Staff members are primarily adults and college students with a few high school students assisting
- All staff members are CPR and first aid certified
- Staff are knowledgeable and well-trained
- All staff members go through criminal background check
- Emergency & safety procedures are reviewed on a regular basis
- Staff members are available to answer questions at any time
- We maintain low staff to camper ratios to provide the best experience possible

REGISTRATION

All Camps require pre-registration. **Registration for camps close 1 week prior to the start of the camp week** to ensure that our staff can prepare necessary paperwork, verify supplies and maintain the correct staff to camper ratios.

HOW TO REGISTER

Online: www.cityofmentor.com/parks-recreation

By Phone: (440) 974-5720 Monday - Friday, 8:00am - 5:00 pm

In Person: Recreation Department: 8500 Civic Center Blvd.

Mail In: Mentor Rec, 8500 Civic Center Blvd., Mentor, OH 44060

COMMUNICATION

The Friday before each scheduled camp week, parents and campers will receive information by email with a reminder of where camp is held, what to bring, as well as any updated information you might need to make your camp experience the best. You will also receive an Information & Emergency Form that will need to be completed and turned in to the camp director the first day of camp. It is important that parents provide a valid email address upon registration so that we can deliver this important information.

CAMP REFUNDS / CHANGES

Please choose your camps carefully. Full refunds will only be granted if a camp is cancelled by the City of Mentor. **An administrative fee of \$25 will be assessed per person per camp for any changes made to camp registrations.** Changes will include participant cancellations, refund requests and/or transfers. Changes must be made one month prior to the start of camp. Camp changes and partial cancellations cannot be applied to the Full 9 Week Camp option. If changes are requested, the camper will be withdrawn from the Full program and waitlisted/registered for individual camp weeks.

CAMP CURRICULUM

On rare occasions, we may need to change the start time or location of a camp. We contact registered participants by email as soon as possible to notify of parents of the camp change.

TIPS FOR ALL CAMPS:

Wear loose, comfortable clothing and tennis shoes (no sandals) each day. To ensure proper hydration, bring a water bottle to camp each day with the camper's name on it. Please apply sunscreen 30 minutes before arriving at any outdoor camp.

Operation Outrageous Fun

OPERATION OUTRAGEOUS FUN

Grades 6 - 7

Register early! Weekly maximum is 32 kids and we fill often! Operation Outrageous Fun is not your average camp experience! Just for kids having completed grades 6 and 7, O.O.F. has all the fun of day camp but dialed up to include many more activities and more time to hang out with friends. Presently we are unable to book field trips due to COVID19. As trips and/or entertainment are booked, we will advertise on our website and/or program brochure.

Before and after camp care is offered for this program through the Rise and Shine and Cool Down programs. Separate Registration is required. Please see page 4 for details.

Sign up for all 9 weeks and Save! New this year we are offering Full 9 Weeks of camp as one, easy registration option. Please note that camp changes or partial cancellations can NOT be made to this registration option. If changes/cancellations are made, all 9 weeks are affected. Please choose this option carefully as refunds will not be granted after the start of the program.

BOATING CAMP I

Ages 10-14

This is both a classroom and hands-on boating program. Each day students have class time studying OBEC safe boating in order to earn a boating license. The rest of the day is 'on the water' time, learning the proper way to use each type of watercraft. Students learn the basics of how to paddle a kayak and canoe, row a row boat, sail a sailboat, and drive a small electric motor boat. Campers also learn related skills including PFD training, water safety, navigation rules, rigging boats, and capsizing drills. Prerequisite: Campers must hold a Red Cross Level 3 or higher swimming certificate, be able to tread water for 2 min. and swim 25 yards at any speed using any stroke. All equipment is provided. Families are invited to watch campers show off their new skills at our annual regatta on the last afternoon.

Instructor: Michelle Haag

Location: Mentor Lagoons Marina

M-F	Jul 12-16	9:15a-3:15p	\$127/\$152

BOATING CAMP II

Ages 10-14

Campers must come with an Ohio OBEC boating license (through Mentor Rec, Spirit of America or other accepted program). Licensed boaters will spend most of our time on the water honing skills of paddling, sailing and steering a small motor boat. Campers will take to the lake as much as possible using larger craft and practicing navigation, maneuvering and higher level boating. We will take field trips to explore other waterways. Wear appropriate boating clothes (no flip flops), bring sunscreen and your lunch to eat while "on location" each day.

Instructor: Michelle Haag

Location: Mentor Lagoons Marina

WILDWOOD THEATRE CAMP

Ages 7-15 | Grades 3+

Discover the world of theater involving acting, theatre games, and outdoor activity on our spacious grounds. Each 3-week camp welcomes both beginners and experienced actors. We stage an original scripted production, but also provide opportunities for camper creation. A free stage presentation for friends and family will occur during the last week of camp if circumstances allow. If live performance is not possible, we will produce a movie on site to share with your family and friends!

Instructor: Steve Couch

WILDWOOD MOVIE CAMP

Ages 7-15

Discover the world of theater involving acting, theatre games, and outdoor activity on our spacious grounds. Wildwood Movie Camp welcomes both beginners and experienced actors. We stage the same original scripted production as Wildwood Theatre Camp, and also provide opportunities for camper creation. But instead of the pressure of a live performance, we will produce a movie on site to share with family and friends! The final film will be shared online after camp concludes and perhaps have a premiere event for all to enjoy!

CLEVELAND INDIANS YOUTH BASEBALL CAMP

Ages 6 - 12

Learn to play 'The Indians Way' in a safe, fun environment! Led by former Major Leaguer and Mentor native Matt Kata, Indians Youth Baseball camps are the ultimate developmental experience for youth baseball and softball players in North-east Ohio. Whether your child is just getting introduced to the game of baseball or has been playing for a while, Indians Youth Baseball Camps will develop and improve upon the same basic fundamentals that Indians players work on each and every day – hitting, throwing, fielding, and base-running. Throughout the week, the qualified and professional coaching staff emphasizes the importance of keeping the focus on the process and the things that we can control: our Attitude, Concentration, and Effort, and encourages each participant to 'A-C-E the Day!' All campers receive an Indians t-shirt and hat, camp workbook and other giveaways.

Please note: ALL REGISTRATION FOR THIS CAMP MUST BE COMPLETED AT WWW.INDIANS.COM/YOUTHBASEBALL prior to June 7. Child must turn 6 before the first day of camp.

LET'S GO NATIVE:

Celebrate Ohio Native Plant Month!

All Ages

Learn about and protect our native plants by eradicating invasive species at Wildwood Park! Native plants provide essential habitat and food for our local wildlife. Much of the invasive plants, such as wintercreeper, Euonymus fortune, do not provide any value to wildlife, enabling them to outcompete our native plants. The Natural Resource Department is looking for volunteers who are willing to remove invasive species in the woods of Wildwood park. Let's work together to give our precious wildflowers a chance to bloom! Please bring gardening/working gloves to aid in the pulling of this pesky plants. For all your hard work, we would like to thank you by giving all volunteers a native flower seed packet to help spread the native plants!

MENTOR CITY POOLS

The City of Mentor plans to open Civic Pool, Morton Pool and Walsh Spray Park for the 2021 summer season. Although our pool operations looked very different last year, we are hoping to gradually get back to our normal schedule of offerings for this summer. We are awaiting guidance/direction from the State and the Local Health District on safe pool operations for the summer. Once protocols are established, we will share updated information on our City website. Please check back with us in Mid - Late May regarding annual membership sales, Learn to Swim classes, Non-Resident admission, day care/day camp visits, and amenities which will be provided at the pools. Thank you for your patience as we prepare for a FUN and SAFE Summer!

LIFEGUARD TRAINING COURSE

Get your American Red Cross training and learn to be a lifeguard. Included in the course is Lifeguarding, First Aid and CPR for Professional Rescuer. Students must be 15 years old and bring proof of age to first class. Students must pass both written and physical tests to become certified. Students must be in attendance during all class times; this class may not be suitable for people with very busy schedules. The following prerequisites will be tested the first day of class. Students who do not meet these minimum requirements will not be permitted to continue with the course but will receive a refund:

1. Student must swim 300 yards, continuously, demonstrating breath control and rhythmic breathing. Candidates may swim using the front crawl, breast stroke or a combination of both but swimming on the back or side is not allowed.
2. Student must tread water for 2 minutes using only legs. Candidates place their hands under their armpits.
3. Last, the student must complete this event within 1 minute, 40 seconds: Starting in the water, swim 20 yards with face in or out of water. Surface dive, feet-first or head-first, to a depth of 7 to 10 feet to retrieve a 10-pound object then return to the surface and swim 20 yards on the back to return to the starting point with both hands holding the object and keeping the face at or near the surface (candidates may not swim the distance under water). Last, exit the water without using a ladder or rope. Swim goggles may not be used for this drill. Class is limited to 10 students.

2021 LEARN-TO-SWIM

The City of Mentor Parks & Recreation Department fully understands the value and importance of Learn to Swim classes in our community. We are awaiting guidelines from the state at which time we will establish a class schedule to ensure adherence to all safety protocols. Please check back with us in Mid-late May at www.cityofmentor.com for the most up to date Aquatics and Learn to Swim information and registration options.

LEARN-TO-SWIM INFORMATION & TIPS

Read the class level description carefully to determine the correct swim level for your child. Call the Recreation Department at 974-5720 and ask for help if you are unsure of the correct level for your child.

Swimmers will be tested the first day of lessons to determine if they are in the proper class. If you have a Red Cross card showing you have passed a class previously, please bring it with you to the first class. Instructors reserve the right to determine your child's level of performance and place them accordingly. Instructors will move your child to an appropriate class at the same time and same pool if space in other classes allows. Please note that children do not usually pass a swim level after one session. Some levels are very comprehensive and advanced skills take time to master.

There will be no make-up lessons for the Learn-to-Swim programs. Classes are held every day. Choose classes carefully as transfers are done on a case-by-case basis and refunds are not available.

PARENT & CHILD CLASS

In this fun, parent & child class using games, songs and simple instruction, children learn to establish an expectation for adult supervision in and around the water, learn more ways to enter and exit the water in a safe manner, explore submerging in a rhythmic pattern through bobbing and blowing bubbles, and learn how to glide on the front and back with assistance.

PRESCHOOL

The purpose of this class is to help children feel comfortable in the water for the first time without a parent. It orients children to the aquatic environment, helps them gain greater independence in their skills and develop more comfort in and around the water. Children will learn to enter the water on their own, follow the directions of the instructor, and gain basic swimming propulsive skills by learning to fully submerge and hold breath, bob, blow bubbles and float with assistance.

LEVEL 1 INTRODUCTION TO WATER SKILLS

In level 1, children learn to enter and exit the water using ladder, steps or side, to blow bubbles through mouth and nose, to bob, to open eyes under water and retrieve submerged objects. While learning front and back glides and floats, recovery to vertical position and to roll from front to back and back to front, children begin to develop comfort in the water. Other skills include alternative and simultaneous leg actions and arm actions on front and back, treading water using arm and hand actions and combined arm and leg actions on front and back.

LEVEL 2 FUNDAMENTAL AQUATIC SKILLS

Success with fundamental aquatic skills begins in level 2 as children learn to enter and exit water by stopping or jumping from the side, fully submerge and hold breath, bob, open eyes under water and retrieve submerged objects. Children learn front, jellyfish and tuck floats, front and back glides and floats, how to recover to vertical position, change direction of travel while swimming on front or back, and how to roll from front to back and back to front.

LEVEL 3 STROKE DEVELOPMENT

Level 3 builds on the skills introduced in level 2 through additional guided practice in deeper water. Children learn to enter water by jumping from side, back float, survival float, rotary breathing, and headfirst entry into the water from the side in sitting and kneeling positions. Flutter, scissor, dolphin and breaststroke kicks on front will be introduced along with front crawl, elementary backstroke and treading water.

LEVEL 4 STROKE IMPROVEMENT

Level 4 is a big level with many skills to perfect. Most students take Level 4 several times before passing all the necessary skills. In this level, children develop confidence in the skills learned and improve other aquatic skills including swimming under water, feet-first surface dives, survival swimming, and headfirst entry into the water from the side in compact and stride positions. Other skills include front crawl and backstroke open turns, front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly, plus flutter and dolphin kicks on back. To advance, children also must be able to tread water using 2 different kicks.

LEVEL 5 STROKE REFINEMENT

Children learn further coordination and refinement of strokes in level 5. We'll cover shallow-angle dive from the side then glide and begin front stroke, tuck and pike surface dives while submerging completely, front flip turn and backstroke flip turn while swimming, front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly, plus sculling.

LEVEL 6

In this level, students refine the strokes to swim with ease, efficiency, power and smoothness over greater distances. Students learn to swim 500 yards continuously using any 3 strokes of choice, swimming at least 50 yards of each stroke. You'll also learn personal water safety, including more complex safety skills, jumping into deep water and performing a survival float for 5 minutes, rolling onto back and performing a back float for 5 minutes, performing a surface dive, retrieving an object from the bottom of the pool at a depth of 7 - 10 feet, returning to the surface and the starting point.

PRIVATE LESSONS

Private swimming lessons are available at all three pools at a cost of \$18 per one-half hour. Private lessons are perfect for teen and adult swimmers interested in developing stronger skills or overcoming a fear of water and for Learn-to-Swim students who need a little additional help. Contact the swimming pool cashier, pool manager, or Learn-to-Swim director to make arrangements.

BECOME A FRIEND OF WILDWOOD

Wildwood Cultural Center and Park, located at 7645 Little Mountain Road, is a hidden gem in the City of Mentor that we would love for you to experience.
