Instructional Hockey (IH) open entry

Participants: Men and women without prior hockey experience. If you are not confident in your hockey skills, you participate in Instructional Hockey. Men and women 18 and older may play IH.

Instructional Hockey: A fun program where players learn to play hockey through fun, non-competitive activities, making this ideal for players wanting to experience the team atmosphere without being competitive. Instructional Hockey is held with equal numbers of men and women each week during winter months. The instructional IH players also wear protective equipment. Men: the proper full equipment for safety play on either established rinks.

Women: Skates only.

Private Guitar Lessons

Agatha

Learning the guitar is like a great discovery because this is your guitar and now it really is *your* guitar. At the private instruction level, students are considered adults and are able to discuss techniques with their instructor. My students are usually 16 years old and older. I have been teaching guitar for 15 years. My students are usually 16 to 19 years old and are serious to succeed in their own musical interests.

Ordinance Weather Considerations

We make every attempt to hold these events scheduled through the November Department at 1000 10th Street Morris, IL 62450. In some instances weather-related issues such as snow and traffic jams are not used to excuse the public. All weather-related activities should be held on any of the Morris District buildings or immediately across the Morris Avenue Street from 1000 10th Street Morris, IL 62450. Please contact the city to arrange any activities that take place on the City of Morris Avenue Street of Morris without exception.

Photo Policy

We often have photos of our programs, events, and other community-related activities. These photos are used internally by the City of Morris and may appear on any of our publications, social networks and print and web content. If you will not be photographed, please tell the photographer.
