Re: Addendum No. 1
Sidewalk Repair / Pedestrian Safety Program Zones 2D & 3C
City of Mentor

Date: January 19, 2022

This addendum forms a part of the contract documents and modifies the original bidding documents for the City of Mentor's Sidewalk Repair / Pedestrian Safety Program Zones 2D & 3C. Acknowledge receipt of this addendum in the space provided on the "proposal forms", sheet BF.11. Failure to do so may subject the bidder to disqualification.

Concrete Curing and Sealing Compound Specification: The concrete curing and sealing compound used shall be a VOC compliant, water-based acrylic curing and sealing compound. The product shall conform to the following specifications / compliances:

- ASTM C309, Type 1, Classes A & B
- AASHTO Specification M 148, Type 1, Classes A & B
