Hand Delivered

Dear Customer:

Subject: Bellflower Court and Fireside Drive Watermain Replacement.

Notification areas: Bellflower Road West from Farmingdale Lane including Fireside Dr and Bellflower court

In connection with the above-referenced project, please be advised that water service for Aqua Ohio customers will be temporarily interrupted on **Wednesday June 15th, 2022 AND Thursday June 16th from 10:00am to 2:00pm.** This interruption is necessary to complete this installation which will improve reliability of service to the area. We are hopeful your water service will only be interrupted during this time period; however, this is subject to change.

- Draw in advance all the water you feel you will need during the shutdown.
- Be sure in advance that your waterlines are shut off by closing a valve either at your hot water heater, your water meter or where your waterline enters your building.
- Call this office in advance if you have any questions or problems relating to this shut down.

We appreciate your patience during the completion of this waterline work and if you have any questions, please contact our site inspector Jessi Potter at 440-255-3984 ext* 50612

Sincerely,

AQUA OHIO, INC.
