Event Location:

Headlands Beach State Park, 9601 Headlands Rd., Mentor, Ohio 44060

Headlands Beach Fest celebrates the elements of wind, water and sand, creating an incredible event on Ohio's longest beach. Guests stroll among the 20+ arts vendors lining the paved walkway selling beach-themed items, take in kite flying, games, live music, wonderful food, and the highlight - three World Champion Sand Sculptors who will take to the beach in the Ohio's Master Sand Sculpting competition! The work they create from sand can only be described as amazing.

In past years, more than 20,000 people attended and this year's festival will be even bigger!

What We're Looking For

The City of Mentor encourages fine artists and fine craftsman of all mediums and of the highest quality to participate. Preference will be given to items relating to the beach, water, wind, surf, and sand. All applicants must submit three photos of the items to be sold along with their application. Acceptance will be based on quality and/or relevance to the overall theme. Photos will be returned if a self-addressed, stamped envelope is provided.

Fees and Booth Space Information

Vendors will be provided with a 10' x 10' hard surface space along a paved path just off the beach. The fee is \$100 if your application is received on/before May 3, 2023. After May 3, the fee will be \$125. Vendors must provide their own tent, tables, chairs, signage and displays. (Artists without a tent/canopy will not be permitted to set up). Sale of products is limited to the assigned booth space. Vendors are prohibited from selling or displaying items outside their designated booth space.

Transient Vendor's License

The City of Mentor does not require a vendor's license to participate. However, we do provide the Ohio Department of Taxation with a list of vendors, including their name, contact information and transient vendor's license number, when requested. For license information, call (888) 405-4039 or visit www.tax.oh.gov for details.
