## **Sunday Hunting Authorization Form**

As a result of the recent changes made to ordinance 505.12, effective October 6<sup>th</sup>, 2021, hunting on Sundays will be permitted in the City of Mentor unless otherwise indicated by the property owner.

Because the 2021-2022 archery season is already underway, hunters must obtain permission from property owners and return this form to the City of Mentor before they may harvest deer on a Sunday.

If a hunter is observed hunting on Sunday without returning this completed form to the City, their permit may be revoked, and they may be permanently barred from the City of Mentor Archery Hunting Program. For questions or additional information, please call the City of Mentor Natural Resources Division at (440) 974-5717.

Property Owners are asked to check one of the two following statements.
