**RESOLUTION NO. 23-R-103**

A RESOLUTION ENCOURAGING THE LAKE COUNTY COMMISSIONERS TO RESCIND THE RESOLUTION ADOPTED ON JANUARY 12, 2023, THAT INCREASED THE SALES TAX RATE IN LAKE COUNTY ON GOODS AND SERVICES AN ADDITIONAL ONE-HALF OF ONE PERCENT

WHEREAS, the Lake County Board of Commissioners adopted a Resolution on January 12, 2023, increasing the tax on the sale of goods and services in Lake County collected for County purposes by an additional one-half of one percent; and,

WHEREAS, this increase raises the current total tax rate applied to sales in Lake County to 7.75%, leaving only two of the eighty-eight counties in Ohio with a higher tax rate; and,

WHEREAS, being among the top three highest taxing counties in Ohio places Lake County and its political subdivisions at a competitive disadvantage with private businesses competing in the region; and,

WHEREAS, placing an additional tax increase on all goods and services during one of the worst inflationary periods in decades places an even greater burden on families in Lake County, many of whom are struggling to afford basic needs; and,

WHEREAS, a tax increase of this magnitude will have a negative impact on sales volume within the County, and particularly in the City of Mentor, which is the sixth largest retail center in Ohio, and which will likely suffer a loss in retail jobs and income tax revenue necessary to service the needs of the public; and,

WHEREAS, a sales tax increase at this time anticipated to generate up to an additional \$20 million annually is simply not necessary given that Lake County sales tax revenue, annual financial surpluses, cash reserves, and investments have all reached historically high levels, points that are acknowledged by the County Commissioners and are highlighted in their most recent Annual Financial Report; and,

WHEREAS, the Board of County Commissioners has offered little information to the public explaining the need for new revenue during a period marked by a strong local economy and a period of unparalleled fiscal strength and stability in County finances, nor has the Board provided transparency regarding how the new revenue generated from the increase would be spent:

SECTION 1. That the City of Mentor encourages the Lake County Board of Commissioners to rescind the Resolution adopted January 12, 2023 that increases the tax burden on the residents and families of Lake County, those doing business in Lake County, and business owners in Lake County, by an additional one-half of one percent on all goods and services purchased within the County, including all internet sales.

SECTION 2. That the Lake County Board of Commissioners is encouraged to be transparent with County residents in communicating the need for additional revenue during a period of unprecedented financial stability and for what such revenue will be used.
