WASTE COLLECTION WALK-UP SERVICE REQUEST FORM

Effective January 2022, the City of Mentor, in conjunction with Waste Management, is offering “walk up” service for those residents that are physically unable to move their garbage container and recycling container to the curbside on their waste collection day. The following conditions apply to this program.

- This program applies only to the garbage container and the recycling container. It does not apply to bulk items and yard waste.
- The container(s) must be readily accessible to the Waste Management employee and must be within 75’ of the curb and must be outside of any garage or other structure.
- A licensed medical doctor must attest to the fact that the individual named on this form is physically unable to roll the container(s) to the curb and back. If this physical limitation is temporary, please indicate the time frame necessary.
- The person signing this document is attesting to the fact that there are no other individuals living at this residence that do have the physical ability to move the container(s).
