

Fairy Condo Art Project

*A Public Art Project
Sponsored by the Mentor Community Arts Commission,
Wildwood Cultural Center and the Mentor Recreation Department*

In early spring the fairies that reside at the Wildwood Cultural Center left a small written message for the Mentor Community Arts Commission requesting additional seasonal housing for the fairies that come to visit each year. The commission decided it would be a wonderful idea to honor their request through a 2022 public art project. They decided a birdhouse style fairy condo project at Wildwood would meet the fairies needs. We need your help to make this happen!!

Children and adults, are invited to participate in the art project, creating decorative, temporary birdhouse style "Fairy Condos". The fairy Condos will be displayed on the grounds of the Wildwood Cultural Center until the fall, when they will be returned to the owners.

This event is free, but you must register with Wildwood to participate in the program. The Arts Commission is offering undecorated birdhouse style fairy condos for sale at Wildwood Cultural Center for \$10.00 each. Participants can purchase or build their own fairy condo to decorate. The condos will be displayed as groupings together on a pole. A special open house will be held in August, with refreshments, prizes and a drawing. Three condo designer names will be drawn at random to receive a gift from the Arts Commission. The condos will be taken down October 31st and participants can pick them up at Wildwood Cultural Center.

- Pre-assembled fairy condos will be available for purchase at Wildwood Cultural Center on June 20th, 2022
