And
Dining at the Mongolian Grill

Wednesday, June 17, 2015

- **Motorcoach Transportation** – Depart at 8:30 AM and return at 4:45 PM
- **Tour of Lake View Cemetery** - Located in the vibrant University Circle area, this cemetery is open for burials of all races, religions and walks of life and is the final resting place for over 104,000 people. With nearly 70 acres remaining for future development, Lake View will continue to inter people for the next 100 years. Organized in 1869, it's Cleveland's historical, horticultural, architectural, sculptural and geological gem. The magnificent collection of trees, shrubs and plants make for an exceptional green space in an urban area. A docent will board our bus for a tour of the cemetery including stops at the Wade Chapel with its glass windows by Tiffany and the Garfield Monument. 
- **Complete Luncheon at the Mongolian Grill** (tax and tip included) - create your own stir-fry from a variety of choice meats, seafood, fresh veggies and flavor-packed sauces, freshly cooked by chefs before your eyes on a large grill! Dine, as the Mongols did centuries ago, as they enjoyed the fellowship of friends in their banquet-style pavilions . . . it's a tradition of the ancient "hunt, gather, cook, feast" that makes this one of the world's most original dining experiences, with entrees you select. 
- **Lolly the Trolley** - More than 20 miles of facts and fun are covered in this two-hour sightseeing tour of Cleveland. This narrated tour drives by the rebuilt Flats (a river port where the Cuyahoga River meets Lake Erie), Cleveland's North Coast Harbor featuring the world's only Rock & Roll Hall of Fame and Museum and the Great Lakes Science Center, Downtown Cleveland (with its mix of historic and modern architecture), The Warehouse District (with loft apartments, restaurants & galleries in downtown's oldest and newest "neighborhood"), Ohio City (with both Victorian homes renovated by "urban homesteaders") and the West Side Market (one of the world's largest indoor/outdoor food and produce markets), the Gateway Sports complex, Playhouse Square, The Cleveland Clinic (one of America's premier medical centers) and University Circle. There will also be a brief stop at the Rockefeller Greenhouse.
