Dear iPhone enthusiasts & Parents:

Thank you for registering our Making an iPhone App camp taking place Monday - Friday, July 15-19, from 9 -11:45 a.m., at the Community Center above the Mentor Ice Arena, 8600 Munson Rd., Mentor.

Camp will be constructed by Funutation Tekademy. They have over 6 years of experience teaching Robotics, Computer Science and related computer courses. Explore the process of creating iPhone apps and acquire the skills of basic programming, digital animation, and digital sound mixing to create fun and exciting games on your own device. You will need to bring either an iPhone or a 4<sup>th</sup> or 5<sup>th</sup> generation iPod Touch.

The enclosed Camp Information and Emergency Sheet should be completed and turned in to the instructor the first day of class.

We still have a few spots available in this camp. If you know anyone interested in participating, or if you have any questions, please call the Recreation Department at (440) 974-5720 or visit [www.cityofmentor.com/play/summercamps](http://www.cityofmentor.com/play/summercamps).
