Helpful Learn-To-Swim Registration Tips

Choose the Class - Read the class level description carefully to determine the correct swim level for your child. Additional information and skill check list sheets are also listed at www.cityofmentor.com/play/aquatics/learn-to-swim for your reference. Call the Recreation Department at 974-5720 and ask for help if you are unsure of the correct level for your child.

Choose the Pool - Civic, Garfield, Morton.

Choose the Day(s) - Monday-Thursday, Monday/Wednesday, Tuesday/Thursday or Saturday.

Choose the Time - morning and evening class times available.

Other Helpful Information:

- Pre-registration is required for all swimming classes. Registration for swim lessons begins with summer registration on Monday, April 6 for residents and Thursday, April 9 for nonresidents, online, by mail and in person. Registration is held throughout the summer on a first-come, first-served basis. If the class you are requesting is filled, ask to be placed on a waiting list.

- Additional lessons are frequently added.

- Register online and be the first in line! Free online registration is available 24/7 at www.cityofmentor.com. You must first call the Recreation Department to set up your family account.

- Swimmers will be tested the first day of lessons to determine if they are in the proper class. If you have a Red Cross card showing you have passed a class previously, please bring it with you to the first class. Instructors reserve the right to determine your child’s level of performance and place them accordingly. Instructors will move your child to an appropriate class at the same time and same pool if space in other classes allows. Please note that children do not usually pass a swim level after one session. Some levels are very comprehensive and advanced skills take time to master.

- Detailed information on lesson levels, as well as downloadable Red Cross skill checklists and information are available at www.cityofmentor.com/departments/parks-recreation/activities/aquatics.

- Choose classes carefully. Due to the great demand for swim instruction, transfers will be granted on a case-by-case basis and only if space is available. Refunds are not available.

- There will be no make-up lessons for the Learn-to-Swim programs. Classes are held every day. Safety lessons, which are an important part of the Learn-to-Swim curriculum, take place on the pool deck on inclement weather days.
Learn-To-Swim Lessons
All lessons are $35 for residents and $45 for nonresidents.

SHAKESPEARE IN THE PARK:
MUCH ADO ABOUT NOTHING
Friday, July 24, 7 p.m., Civic Center Amphitheater
Presented by the Cleveland Shakespeare Festival
A pair of witfully scornful anti-romantics are tricked into love! A pair of blushing sweethearts are tricked out and back in! The Prince is a problem solver. His brother is a vicious cad! And the bumbling town constable is proclaimed a DONKEY! Rollicking good fun for all with wicked humor and malcious intent - classic ingredients for the happiest of endings.
The Cleveland Shakespeare Festival is dedicated to bringing plays of professional quality to audiences in the Greater Cleveland area as a way of encouraging community through theater. By performing out of doors in numerous locations, we reach audience members that would be less likely to travel to a downtown theater or may be uncomfortable in a more traditional theater setting.

Next, we’ll be placed into smaller groups of 15 and invited to explore the 60 room Tudor Revival Mansion searching for clues with a chance to interview the suspects and investigate the surroundings to try and figure out who dunnit?” After the exploring, interviewing and investigating is completed, each group will have their chance to say who did it, how they did it and why they did it. The winning team will be announced before everyone gets to enjoy a final refreshment. This is the perfect Pre-Halloween adventure in the perfect Murder Mystery. We will have our own prizes for the best CSI Costumes, so come ready to play!

Special Elders Program

The Special Elders program is a wonderful program offered at the Senior Center to those who are experiencing some issues with aging and require a little extra assistance. It was designed to allow seniors to enjoy good times with friends and the consistent company of other participants.

The Special Elders eat lunch together every weekday at 11:30. (Bring money for lunch.) We play cards and table board games, Bingo on Monday and Wednesday afternoons, and games and activity time is scheduled on Tuesdays. We take part in specially designed chair exercise programs for seniors with some physical challenges Monday through Friday. Special events, including movies and monthly celebrations, are held every month. We also have speakers, parties, and special entertainment at various times during the year.

The Special Elders staff does not provide personal care or individual supervision. Participants in Special Elders must be independently mobile. It is funded jointly by federal CDBG funding, the City of Mentor, and Lake County Senior Levy Funding. LakeTran is available to bring senior citizens to and from Senior Center activities. Please call the center at 440-974-5725 to schedule a time to meet with the Special Elders staff. The staff will provide a tour and review the enrollment form detailing the type of assistance needed.

YOGA
Yoga is an ancient system of philosophy and practices. The yoga classes are a mixture of gentle stretches combined with traditional yoga postures. The sense of wellness acquired through practice is caused by easing muscle tension, massaging internal organs, and improving flexibility of the joints.
