James A. Garfield National Historic Site

8095 Mentor Ave., Mentor, OH 44060

Situated on nearly 8 acres along Mentor Ave., James A. Garfield National Historic Site honors the 20th President of the United States and Mentor resident James A. Garfield at this Historic Site found in the heart of our community.

James A. Garfield lived in this home, the centerpiece of his sprawling farm, from 1876-1881. After his assassination, his family continued to reside here, and the home was occupied until 1934. The President's widow, Lucretia, added the nation's first presidential library to the house in 1885-86.

National Park Service Rangers and volunteers provide guided tours of the Garfield House, which has been restored to its appearance of the era of 1886-1910.

The Garfield Home boasts a collection of artifacts that are over 80% original to the Garfield Family.

An on-site Visitor Center is home to various displays highlighting key aspects in the life and times of James A. Garfield and the Garfield Family. Visitors can also view a biographical film about James A. Garfield in the theater located inside Visitor Center.

There is no charge to view the exhibits or the film in the Visitor Center, but there is a charge to take a guided tour of the Garfield House.

National Park visitors will find James A. Garfield National Historic Site's official National Parks Passport stamp in the Visitor Center, and a bookstore inside the Visitor Center has a variety of books and other items related to James A. Garfield.

1. The **Mentor Marsh State Nature Preserve** is a 646 acre preserve featuring over 4 miles of trails and a Nature Center.
2. The adjoining **Mentor Lagoons Marina & Nature Preserve** features over 450 acres of land and 3 miles of trails. Dock your boat, rent a kayak, walk the trails, or just hang out on our natural wild beach.
3. At over a mile long, **Headlands Beach State Park** is Ohio's longest natural sand beach. Major events include Headlands BeachFest and the Mentor Offshore Grand Prix.
