

Is there a Hockey Fanatic in the House?

- Free Hockey Clinics for children, ages 3-10 – who have had NO previous skating lesson. Offered in October, December and January. Equipment provided.
- Mentor Rec Hockey is a 20-week program that runs weekends from October through March, for children, ages 5-12. Prerequisite: basic skills lesson.
- The Mentor Travel Hockey season runs from September through March, with Team selections in late August. Requires a minimum of one year in Rec Hockey program.
- Adult Hockey League for the serious player 35 and over.
- Adult 18 and over Pick-Up Hockey. Full equipment is required.

Mentor Ice Arena is the Home Facility for these Hockey Teams:

- Mentor High School
- Lake Catholic High School
- Riverside High School
- Notre Dame Cathedral Latin

The **coolest** spot
in **Mentor!**

ICE MENTOR CIVIC ARENA

ice arena

It's Gr8 2 SK8

Learn to skate, meet new friends,
stay fit and have fun!

The coolest spot in Mentor for fun!

Open Skate

Daily sessions begin in October. Check out www.cityofmentor.com/play/iceskating, or stop in and pick up a schedule.

All Day Skates

Nothing to do when Mentor schools have a scheduled "No School" day? Send the kids to the Ice Arena for a day of cool fun. Pick up a flyer for program dates.

Want to Learn?

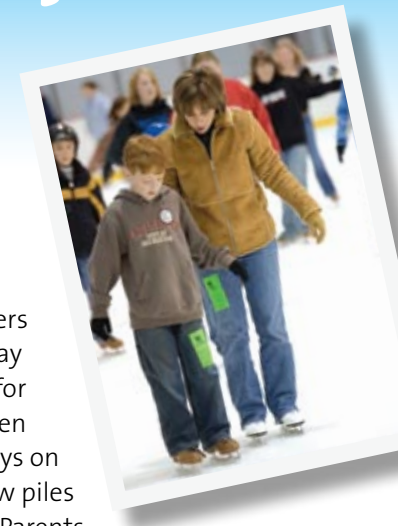

If you can walk, you can skate and you're never too young – or old – to learn! Students advance on a natural progression, by age and ability following the US Figure Skating Basic Skills program. Seven-week sessions are offered year round for persons 3 and up.

Join the After School Program

Children board Mentor's Ice Arena bus at their school and are brought to the Arena for this supervised program featuring a short recreation lesson and open skate. Four sessions per year are offered to Mentor's K-5 Elementary Schools.

Play Date on the Ice

Here's a great way to introduce your toddlers to the ice. This Tuesday morning program is for pre-school age children who will play with toys on the ice, climb on snow piles and watch cartoons. Parents can entertain the younger siblings by bringing them on the ice – in strollers!

Home School Thursdays

Do you home school one of your children? This once a week, 10 a.m. to Noon program satisfies the physical education requirement. Lessons also offered for an additional fee.

Host a Really Cool Birthday Party!

Your child's next Birthday Party will be GR8 if it's at the Ice Arena (available on Fridays, Saturdays or Sundays). Call for details, or stop in for a flyer.

Summer Ice Skating Camp

This cool camp combines skating with hiking, swimming, crafts and field trips. The camp runs from 8-5 and is for both beginner and advanced figure skaters and hockey players.

Special Events

October	Halloween Party
November	Mascot Day
December	Holiday Ice Show
January	Mentor Skate Day, USA Hockey Day
February	Father Daughter Skate
