RE: Arts Programming Support Request – Headlands Beach State park – July 26, 2014.

Members of the OAC Program Support Grant Review Committee:

The City of Mentor, Ohio, has applied for and received a permit through the Ohio Department of Natural Resources to host an event focused on a celebration of the arts and related recreational waterfront activities at Headlands Beach State Park on Saturday, July 26, 2014. This event will be free and open to the public.

The City of Mentor will be asking the Ohio Arts Council for programming support to strengthen their capacity to introduce arts programming at the Headlands Beachfest. The Ohio Department of Natural Resources (ODNR) is writing to express their support as a partner organization of the Beachfest event. ODNR will provide in-kind support through staff participation in during the event. In-kind support will include maintenance, security, and lifeguards. The in-kind labor costs for ODNR staff involved is estimated to be in the amount of (\$4,750) four thousand, seven hundred and fifty dollars.

We encourage you to support the efforts of the City of Mentor to create a memorable special event that will serve to raise the profile of one of this State's unique Lake Erie assets.

Sincerely,

A handwritten signature in black ink, appearing to read "Heidi Hetzel-Evans".
