

SENIOR DIGITAL INCLUSION PROGRAM

Electronic devices for those who qualify

Referral to digital connectivity services

Internet safety courses required

The Senior Digital Inclusion Program provides assistance to Lake County Seniors 60+ to enhance digital connectivity.

Services include free electronic devices to those that qualify and referral to services to support learning and connectivity.

Completion of a scam prevention workshop and a one-on-one tech appointment at Mentor Public Library is required for device recipients. Must meet financial & nonfinancial criteria.
