## LIFESAVER NEEDS:

### Emergency Response

Disasters don't discriminate. Natural disasters don't respect our laws. Communities across the United States are still recovering from devastating disasters that left behind a trail of devastation. The following disaster relief courses offer lifesaving opportunities for those who desire emergency relief. They offer the most comprehensive and practical training available.

We are partnering with community colleges – including State College of Ohio students – Red Cross emergency courses. These courses are becoming available for only a few dollars at our Ohio State college sites by an additional \$10000 fee. Inquiries about
